Hello My Dear Calvin!

The weather isn't so nice now. The snow has already melted and the weather is damp. Though the temperature is +7 C it feels much colder. I decided that it would be much warmer today and I came out having an autumn coat on. I felt so cold...;-))) So, I came back to change my clothes. ;-))

I played bowling, but I don't understand much about this game. One friend shared his secret with me. First and foremost is the ball weight for you. If you choose a heavier or lighter ball you will fail easily. You need to throw the ball looking at the front pin, nowhere else and you need to spin the ball so it makes an arc, because if you throw it straight it won't make the others fall, a few will still leave on one side. I tried to do this for some times and it worked!!! I don't have a favorite kind of sport, I like to play pool, bowling, darts....By the way, I don't know how to answer your question. : (Ok, I'll try to guess: I think that there are two pins behind you. ;-)) Am I right? I asked my friends if they knew the answer and they suggested going to the bowling club to ask somebody. ;-)) I think that it's not right...So, you have MY answer. ;-)))

I had to prepare a big essay for the seminar on Pedagogic. I haven't found anything on the net, so I am going to spend some evenings at the library. The subject is " The General Methods of Upbringing".

There is nothing new in my life. Do you know what the biggest problem is for me now? ;-)) I am afraid you will laugh. :)) As it's cold here now I want to buy a new hat, but I couldn't

find it so far. Not because I don't have enough money, but because I couldn't find anything nice. ;-))

I am going to go to Baturin in December and I haven't seen the President in person yet. Some of our politics came to Baturin in August, but I felt so tired after hard work that I didn't come out of the tent to take pictures. But this time I will take camera with me or I will ask my friends to take pictures for me. ;-))

This time I put my kisses in lights from the Christmas tree from the mall on your picture and I hope that when you see it you will feel them.

Have a nice week!

Yours,

Ana
