Hello My Dear Calvin!

Happy New Year, my dear! ! May all the dreams in your eyes, all the desires in your heart and all the hopes in your life blend together to give you the most spectacular year ever!

I celebrated the New Year with my friends. It was a home party, but we were in the center of the city and we came back home. I felt alone, because you were far away from me and I wished I could celebrate this holiday with you. I hope it will happen the next time.

My parents presented me money and I've already spent them for new clothes. ;-))

Thank you for telling me more about Muslim traditions. I think this year will discover you our Slavic traditions and also I hope you'll like them. ;-)) Do you know that pork is our traditional Ukrainian dish? ;-)) I hope you weren't turned into Muslim. ;-)) Where are you going to stay in Chernigov? Have you already booked a room in a hotel? I hope you'll like our city. Have you read anything about it on the net? Have you ever heard about our local beer? ;-))

I don't know where to put my kisses today. What if I put them into your papers? ;-)) I didn't find romantic places for them, but I think you work with papers and I want you to feel my kisses when you are working.

I'm looking forward to your letter

Yours,

Ana
