Hello my dear Calvin!

I got a phone call from the agency and they invited me to come to take a present. I was so surprised – what could it be?

When I came there, the manager of the agency told me that you had sent me a very special present and asked me to go with her to a lingerie boutique. I was so intrigued!!! They offered me three lingerie sets to choose and I chose a very beautiful lace set. It's white with flowers...I am very pleased with your attention, it's a so special present, but also I have a question – why did you choose this gift for me? I feel you care, my dear Calvin. Thank you very much. I will wear it thinking about you....And be sure, I felt your kisses even when I tried it on. ;-))

But at the same time I felt so upset, because I wasn't right answering your question about pins. : ((( First, I thought that there weren't any pins, but my friends told me that it should be the sign "x" on board if it was a strike...I won't hear anybody the next time and I will follow my heart only even in such details.

By the way, today is really warm there. The temperature is + 15 C, we usually don't have such a warm winters. I wear my autumn coat. ;-))

Have a nice weekend! Do you have any plans for it? I'm going to watch "King Lion" cartoon. ;-))

Yours,

Ana

I put my kisses in the moon. It's New Moon now and the more it grows, the more kisses appear for you.
