Hi Calvin!

Thank you for your letter.

I am enjoying my freedom from my studies. The next academic year starts on September.

I passed 5 exams. They were rather difficult, especially the last one. Our teacher on psychology is so strict! But everything was great! I answered all her questions and got an excellent mark! Now I have a rest from my studying. But also I have to visit the archaeological excavation in August. We'll go to the town of Baturin to dig up an ancient church. Baturin is situated in 50 km away from Chernigov, so I'll come to the agency to write you.

It' nice that you finished your career related exam. My congratulations!

I watched Eurocup final! I am not a football fan actually but the match was amazing!

Of course, I have meetings with my friends. They are very nice people. We met in a nightclub to celebrate a birthday of my best friend yesterday. She is 19 already. And today we'll go to the beach. Today is quite hot weather as for our city, nearly + 28 C. I don't know if I have an opportunity to go to the sea this summer, so I'll get tanned on the banks of the Desna river.

About the photos. I've already added new photos to my profile. You may order custom photo shooting on the site. Our photographer will take my photos with or without apples or

even with a large basket of fruit ;) And I'll make two pony tails, show you a V sign or I can blow you a kiss. Everything for you!

Have a nice day,

Yours,

Nastya
