Hello My Dear Calvin!

What terrible news about your job I got!!! I've heard a lot about this crisis and I knew that a lot of people were fired there, but I didn't think that it would concern you. : ((I hope you will find a new job. Sure I will continue our correspondence. I know that this is a temporary situation and they promise this crisis till 2011. I'm an optimist and I think that everything goes for better. Perhaps this crisis will give you a chance to find a better job. I hope, we won't die from hunger till the end of the crisis. ;-)) Anyway, I am here and waiting for you, my dear Calvin!

The weather is really bad here now. It rained yesterday and it is snowing and raining now. All the streets are full of snow and water...I know that "there is no bad weather", but this weather is really terrible...I prefer - 10 C. ;-)))

I'd like to thank you again for the lingerie. I really like your present and I think that it's much better than chocolate. I agree that it would be better to get the flowers from you when we meet in person. I want to meet you so much!!

I'm sending you my kisses with the global warming. I hope the weather will get warmer for you...

Yours,

Ana
