Dear Calvin,

I'm glad that you liked my new photos! So, now you don't want to see me with an apple in hand? ;) And I already thought that you would send me a fruit basket that I may enjoy on this hot summer afternoon ....

It' s nice to learn more about your family!

I have an elder brother and, you know, we had the same problems during our childhood. But I was a winner of our battles because I am younger.;;)

The members of your family are so fond of rodents! Do you have one at your home? Maybe, a white rat? ;) When I was thirteen I was presented with a white mouse and I decided that it felt herself lonely and bought her a boyfriend ) They were a lovely couple with 5 offspring. They lived a happy life and both died not on the same day ;))

You sister is a real business girl! Are you going to invite her to teach young people in your school? As for me, thank you for the invitation. If you need a teacher of Ukrainian history, I am at your service!

I learned how to play backgammon yesterday! I like it! Do you know this game?

Have a nice day!

Yours,

Nastya.
