Hello dear Calvin!

Thank you for the weather! It's +25 C. Much better than the last week! I think that it's your influence on the weather ;) Your letter brought the same weather as in Toronto. It's much better to work now. I dig out bones and stones. And we have one Canadian student with us. The excavation is in 3 km away from our place and we walk there and back everyday. I'll have pretty muscles after my archaeological practice ;)

What a nice income you received from the Casino after 30 minutes! May I ask you how you spent this money? Why don't you like to tell me how you won it? I don't know how to play poker, but if you think that I won't get addicted I would like to learn how to play this game. How will rescue me if I do get addicted?!

I'll teach you Backgammon and you'll teach me how to play Poker in return. ;)

I didn't watch the Olympic game. We don't have any TV sets at the moment. ;) But I like beach volleyball (both to watch and to play) and figure skating.

Yours,

Ana

XOXOXO :)
