Hello dear Calvin!

Thank you for your letter. I was so much excited to know that you have written me again! I rushed to the agency to read your letter and decided not to put off my answer for a long time.

Thank you for your invitation to Canada. Are you going to come to Ukraine any time soon? It would be very nice to meet in person! I'll show you my city. And I'll show how to play Backgammon.:))

Do you daydream? Do you worry about things? What do you think about when you are walking around?...just some questions to learn more about you..

And what is your favorite holiday?

As for me- I like New Year and my birthday very much. New Year- because it always gives a feeling of something new and good coming into your life, you may think of your cherished dreams and they will certainly come true! Also- I like getting presents very much. That's why I like my birthday. It's so nice to wake up – see a bouquet of flowers that my parents got for me, receive congratulations, presents and feel so special. Of course, it's nice when you get attention and presents not only for your birthday.. As for me I like flowers very much and my moods always raises when somebody gives me them.

I am looking forward to your next letter.

Yours,

Nastya.

P.S. What did you do with these 6 kittens? I know, your sister sold them out.:))
