Hello My Dear Calvin!

It is so cold now in Chernigov! They write everywhere for the forecasts that the temperature is + 3 C, but I think it's much colder, because all the puddles are frozen even at the daytime. Our children wear warm winter clothes, but I still have hopes that warm weather will come back soon again. What's a pity that I am not in Qatar now! ;-))

I haven't got the results of my work yet. I handed in the essay on Friday and I will get the results next Friday. I am very-very busy with my studying now. I came there to write you a letter and I am going to go to the library. I've bought some more chocolates for my brains already. ;-))

Do you remember about my archaeological practice in August? The excavation of the church was finished and they wanted to make a great opening. They invited our President, but he has a very busy schedule so they carried over the date of opening for December. So I am waiting for this and I am going to come to Baturin again.

I tried Sushi, but I don't like them at all. I didn't like olives before, I always tried them and I couldn't understand why people loved them. And one day I really enjoyed them! So I'd like to do the same to Sushi and I eat them though I don't like.

As for the cartoons I liked "King Lion" and "The Little Mermaid" when I was a child. I've watched "King Lion" for 300 times maybe ;-)))

I don't know what this is, I think it a brick for the wall of our future house. ;-))

Yours,

Ana
