THIS LETTER WAS TRANSLATED FOR ANASTASIA

Hello My Dear Calvin!

I came to the office before my lessons to write you a short letter, because I have a lot of lessons today and I will be busy with my studying till Sunday. You know, Qatar is closer to Ukraine than Canada and I will feel you closer when you are there. I hope you will find nice job in Qatar and also I hope you will come to Ukraine soon. Not only because I want to know what you bought me ;-)), but also because I want to meet you in person and learn you better. Come here, please, as soon as possible.

It's slippery here too. And I am always very careful when I walk in the streets. So, if you put your kisses in the ice I will feel and I won't be afraid to fall. ;-)))

I' m waiting for your next letter. Send it please, either from Qatar or Canada.

Yours,

Ana

P. S. I put my kisses in the clouds. When your plane flies up over the clouds you will see how many kisses I sent you.
