THIS LETTER WAS TRANSLATED FOR ANASTASIA

Hello dear Calvin!

Thank you for your advice about studying English. But all foreign movies are translated and post-synched in Russian or Ukrainian language. It's hardly hear one English word or the original voices of actors from the movie. There are no titles there! But I am pleased that they don't change closing credits at least I can read the names of the actors in English!;))

Did you have a nice time on the beach?. I will get convinced of this when you send me your new photos. I like the way I spend this summer. Actually I'll be gladder to swim in the sea than to dig out hidden treasures ;) Or to take dance lessons together with you...

You know, I watched "Forrest Gump" (in Russian ;)) Some movie moments made me cry, especially scene concerning Forrest with Little Forrest. It's so impressive! Any attempt to describe him will risk making the movie seem more conventional than it is.. It's a comedy, I guess. Or maybe a drama. Or a dream. Thank you that you've reminded me about it. I'll try to get DVD and to watch it again. And what do you think about it?

My summer is great but it would be perfect if you were with me.

Have a great day, Calvin.

Yours,

Anastasia
