My Dear Cavin!!

Happy birthday to you!

I wish you a good health and happiness, true friends and success, peace and joy, strength to achieve your goal. I wish you to be happy and I want to make you happy.

I wish to be there with you to tell you these words in person, to hug you and to kiss you. I want you to know that though I am far away I am always beside you and I am thinking about you, my Dear Calvin.

I know that I am a little late with my congratulations. How nice is that I can write you again! I missed our correspondence so much and I missed you!!! I came to the agency right after they called me to inform me that site is working again. They explained me that they experienced some technical problems, but I was sure that everything would be all right.

How are you? What did you do when we weren't in a contact? Has something interesting happened in your life? I am so curious to know everything about you!!!

I am waiting your letter

Ana
