THIS LETTER WAS TRANSLATED FOR LARISA!

Hello Dear Calvin!

Thank you for your letter! You know, I've noticed that you are a very positive and energetic person and even when I read your letters I could feel that my mood raises )

the sorry that happened to you at the University is really fun! LOL I could imagine how surprised and frightened everybody was when the lights went down! ))

I will take it into account and will try to avoid such situation.

I decided not to follow my parents' experience and not to become a doctor. I study at Historical Department at Chernigov State University.

At the moment we have different subjects: national Ukrainian history, Maths, World History, Ukrainian Language, Ukrainian Literature, Sociology, Psychology, Physical Training etc

This week I have two credits and one exam on Ukrainian History of middle centuries.

I share your views on people and relationship. I think that in a relation between a man and woman what really matters is how a man treats a woman, shows her his love and attention, makes her little surprises and presents. I think that man should show his feelings buy certain doings and not just words. Actions say much more than words..

Well, My Dear Calvin, I need to go back home! I hope that you will write me soon!

Bye-bye!

Nastya
