Hello King of Karaoke!

I hope we'll sing together when you'll come to Ukraine. I am not a karaoke fan but we'll sing in unison. If you sang the song in Japanese it won't be difficult for you to sing Russian and Ukrainian songs ;) My favourite songs are "Crazy" and "I Don't Wanna Miss a Thing". Do you like them? I think that you know the lyrics. So, I'll learn the words by heart and I'll work on my pronunciation. Will we sing them together? I'll prepare honey syrup beforehand ;))

The weather was nice, the temperature was around +33C. And I spent all the time at the beach. But today is cloudy, so I am going to go to the cinema with my friends.

I don't know if the novels by Paulo Coelho have been filmed already. But I think that reading is more pleasant than watching movies. Sometimes it's impossible to set on the film all thoughts of the author or even some facts from the book because time of the movie is limited. For example, "Harry Potter" by Joan Rowling and movies are rather different. I hope that you've read them although they aren't about economy. ;))

I am going to go to Baturin on the 3rd of August. But you can write me, because Baturin isn't far away from Chernigov and every weekend I'll spend at home. I'll be waiting for your letters. If I find a hidden treasure, I'll write you about this.;)) But I think that all jewelries were dug out before my coming.

Have a great day,

Ana

P.S. I don't know what +xoxoxo means ;) Could you explain me, please?
