Hey, Ana, (I will call you Ana from now on ;)

I was going to reply our last email right after I read it. But I realized you were still working on your exams and it's a long exam (10 days??) so I decided to wait. I guess your exams are over now. How did it go?

This week's been busy for me as some of my friends from Boston were visiting so I need to show them around my city. I was between work and being a tour guide 24/7. Did you watch Eurocup final?? I was so frustrated when Germany lost. But they still played a good game...which team do you support? Don't you dare to say you like Spain!! Well, if you really have to support Spain...fine...I enjoy watching their tomato fights anyways.

I guess you didn't have meetings with your friends. You HANG OUT with your friends. When you hang out with friends, you go to places and have fun. I am glad that you have finished all your exams. I know exactly how you feel and what you are thinking. Actually I just recently finished a career related exam. I had been preparing for it for 2 months! Right after the exam, I felt like I was dreaming. I could not believe the exam was over. And all of a sudden I didn't know what to do because I have so many things in my mind that I want to do at once! Beaches, bowling, movies, parties... you name it!! You went to the beach? How hot is it at your place? It's like 27 degrees here now. I went to the beach yesterday. It was packed with people and dogs.

I am glad that you are studying history. I did not have time to study history when I was in university. I find knowing the history of human civilization very important. Now I am reading some world history books...trying to catch up! But most of the time I read economic books and newspapers. (maybe you think it's boring...but I like it!)

Now it's your turn to tell me about your life after exams...where did you go? What did you do? How long is your summer holiday?

At the end of this letter, I have a small request. I would like you to take a photo with an apple on your left hand and make a V (victory) sign on your right hand. Use the same outfit and background as on your profile picture. I like all your hairstyles but I'd like to see the two pony tail in the picture (they are

cute!) Please also display the date the photo is taken. Sorry for the inconvenience but I need to know that I am REALLY talking to you but not some virtual animation on the web.

Best Regards
