My dear Ana,

I am so happy to hear that you like the gift! :-) I am sending you this gift because I knew you were having problem choosing the right hat for yourself. I thought about sending chocolates to cheer you up. But I remember you had had chocolates twice before. I don't want you to blame me for giving you extra weight. ;-) So I gave up on the idea of chocolates. Then I thought about flowers. But I think I should send you the first set of flowers in person when I am there in January. So I hold off this idea. Then I found this Lingerie set which is related to cloth and fashion. And I was thinking you may be able to turn this lingerie into your favorite hat since you are a seamstress? ;-)

You are right that there will be an "x" on the board if there is a strike. But that will happen only after the ball hits all the pins. This photo was taken at the moment when I throw the ball and just turned back. The ball was still on its way to the pins! ;-(I have to say this was probably the best throw of the whole night...)

The weather is freezing now here. It's about -10C. I wonder why global warming is not coming to Toronto yet...;-)

Ana, after a long thought, I think I need to tell you something about my recent situation. Please keep calm and don't be upset. Due to the current global economic slowdown, the bank I used to work in had cut down a significant amount of employees. And I was unfortunately among one of them. I just received the "pink slip" this past Friday. Because right now the unemployment rate is so high and companies are still in the process of cutting jobs, it is hard to predict how long it will take before I can find another job. So I am planning to join my brother in Qatar to do business with him. I will be flying between Qatar

and Canada all year round. Ana, I hope that you understand my situation and the current global economy. Sorry for the bad news. And I hope that you will continue to correspond with me. I hope to see you in January my dear Ana!

With many warm kisses in the ray of winter sunlight,

Calvin
