My dear Ana,

Thank you for your soothing words! I am feeling much better already! I have made all necessary arrangement for my plan to Qatar. My flight is this Sunday. So the next letter I send to you will probably from Qatar. I will send you pictures once I see anything beautiful. :-)

I bought some Christmas gift for my sister today. I bought a calendar, a pair of new gloves, and a pair of boots. The calendar is a special calendar with inspirational quotation from respected women around the world. I hope the calendar will inspire her to think big and dream big in life. I just attended her parents' night at school today. I was pleased that her teachers told me she was doing very well in school. I will hide the gifts in the box under our TV until Christmas Eve. And of course I've got something for you. But I will not tell you what it is. ;P I want to see your surprising face when I give it to you in person. ;P

Don't worry Ana, I am sure the situation will turn better soon. And of course we won't die from hunger. Even if we run out of food, we will borrow a fish rod and catch fish in the ocean!

We have sunny but very cold weather lately. The road is very icy. I have to pay extra attention when I am driving. Oh today I saw a person fell down on ice. That reminds me of a funny story that happened to me before when I was in university. It was also in winter time and the road was slippery. I was walking on my way to class. A person not far from me suddenly fell onto the ground. The way he felt down was so funny. He was trying to jump over some snow pile to cross the street. But he landed on some icy ground. He tried so hard not to fall down: he swung his arms so fast trying to balance his body and step back and forth, back and forth to find his balance point. But all of his attempts failed, he fell onto the ground so hard that it made me and some people around him burst into laughs. And just when I was enjoying the laughs, I step onto some icy ground.....and you should know what happened right after that. From that time on, I never laugh at people when they fall on icy ground no matter how funny they look when they fall. (but sometimes I still cannot control my laughs because they are just so funny!! :) )

What about you? Did you fall on icy ground before? I am sure you must look very funny when you fall and I will be laughing so hard at you! :D

With many kisses on the icy ground you are going to fall on, (I am kidding)

Calvin :-)
