Dear Ana,

Sorry for the late reply, I was not at my house this weekend. I was in Ottawa for a corporate function.

I certainly would like to come to Ukraine soon but I just used up my vacation this past June to travel to Vancouver and other parts of Canada. I guess it's difficult for you to come visit me before I visit you first. However, I will try to get a vacation time for this October or November. In the mean time, we will keep in contact with emails.

As for whether I daydream, I don't think I do >_<. But I do have visions about my future school, my house, my wife.....and my car. I don't worry about things most of the time. But I do need to pay extra attention to certain issues from time to time. I believe careful planning reduces worries since I can expect what's going to come. But this is for the practical part of the world. For the emotional part of the world, I don't really plan. I go with what my heart feels and I don't regret what my heart told me to choose. As long as I believe what I have done is right and don't regret, I don't have anything to worry about. What do I think about when I am walking? It depends on where I am walking and at what time I am walking, why I am walking and who I am walking with. For example, if I am on my way to work, I'll be thinking about, "hurry up! Hurry up!" ; if I am walking on a beach, I'll be thinking, 'oh my God, I am going to take a picture here. I am going to take a picture there.'; if I am walking with you, I'll be thinking, "how can I play little tricks on you??"...lol

What about you? Do you day dream a lot? I guess you do because you are a Pisces. My mum is a Pisces and I love her!

My favorite holiday is also New Year. I like it not only because it gives us the feeling of a new fresh start, but also because it concludes the performance of the past year so that I can feel proud of my achievements and improve on the things if I need so. Thanksgiving is the other holiday I like as all of my family members can get together to have a big dinner. It's good to have the feeling that you whole family is here and all well! You know what, I always have two birthday cakes on my birthday!

What's your most favorite flower? Rose? What color? How good is your English? What's your favorite movie?

Yours

Calvin

P.S. my sister was only 3 when the kittens were born. They were given to our relatives, friends, and neighbors. My sister would definitely have sold them if she were a little bit older. :)
