Hey, Ana, don't worry, just keep the way you are studying English but watch more Hollywood movies. Your English will improve more quickly when you get here. >\_@

Actually I am not a superstitious person, but I do notice that people tend to show certain traits that belong to their signs. Sometimes I can guess correctly the month the person was born by talking with him/her for a few minutes. You are right. I am a passionate person. I can be easily touched by a romantic or happy moment. I always dream of dancing Waltz with my beloved one on the dance floor. Ana, when you get here, we'll take dance lessons!

I will hand pick the flowers for you when I get to your place.

I just went to the beach yesterday. It was so hot. We had a barbeque lunch there. I will upload some photos when my friends send them to me.

How are you enjoying your summer so far? If you have time, I recommend you watch a movie called Forest Gump. It's a very touching and inspiring movie. If you had the chance to watch the movie, let me know how you like it!

Ok, Ana, I am going to sleep now. Let me know what you are doing lately!

Yours

Calvin
