Dear Anastasia,

How are you? Please accept my apologies for not replying your email earlier. In fact, I was on vacation in Vancouver for the past two weeks. (I just uploaded two photos from my Vancouver trip here!) This is actually my first time to try such services. I hope it will work. I notice in your profile that you are a Pisces. I don't know if you believe in horoscope, I do. Pisces are the best match for Scorpio. (I am a Scorpio.) I am very loyal to my partner. In the modern society where relationships seem so faint and volatile, I value quality and stability. Mutual respect and understanding are the keys to me in a relationship.

Your Greek legend is very interesting. Although I have not heard about this legend myself, I've always had the belief that people are like jigsaw puzzles--they are meant to complete each other to acquire balance. This is why I believe Pisces matches Scorpios. I like travelling, soft rock music, the mountains and the oceans. What's your daily life like?

Sincerely

Calvin
