Dear Ana,

I just uploaded a picture from last Monday when we were at the beach. It was such a sunny day. We had barbeque for lunch then we went into the water. (only our legs :) I had a very good time there with my co-workers. Toronto borders with Lake Ontario. So what you see here is not the ocean. It's one of the 5 great lakes in North America. I still miss the ocean in Vancouver.

This weekend isn't so good. It was rainy and cloudy. Me and my friends stayed indoor, eat hot-pot , and sing karaoke. Is karaoke popular at your place?? Here it's one of the most popular indoor activities when we have friends together. I am sure you'll like it!

Forrest Gump is one of my most favorite movie. He is such an innocent and normal person yet he can achieve so much just by never giving up! Every time I watch it, it gives me inspirations to move forward no matter what obstacles I am facing. I always say to myself, "If Forrest can do it, I can do it!" Ana, I hope that from now on when you face challenges or frustrations, you will watch this movie like I do, and get inspired and move forward! But since it's summer now, you can just relax and enjoy the sun :)

What about you? What movie do you want to recommend me to watch? Keep me posted!

Yours

Calvin

P.S. I want to go to the park where you take your pictures!
