My dear Ana!

I miss you. I miss you very much! I want you to be here by my side now! Ana, don't worry, I am fine. I will be with you in one month! The last week has been too long for me without hearing from you. :(

Thank you very much for your birthday greetings, Ana! I am so happy to hear greetings from you! :D Although I cannot hear you whisper the greetings into my ears this birthday, I want to hear you whisper these greetings to me in my next birthday and all the birthdays for the rest of my life. ;)

I had a great time during my birthday. My brother came back from Qatar to celebrate our birthday together! My brother and I, and our friends went bowling during the day. Here I've attached a picture when I just finished a shot. Can you guess how many pins are still on the ground from the way I walk and the way I look at the camera?..^\_^... If you can guess right, there will be surprises!! At night, we had a big dinner at a Japanese restaurant (lots of Sushi!) then we ate our birthday cakes as desserts. ;P

Ana, we had our first snow this past Tuesday. It was very beautiful, but it is very cold now!

Our city has been busy preparing for the Christmas season. The mall near my work place has been decorated so beautifully that I don't know how to describe it. So I decided to take some pictures and send them to you! The picture with a huge Christmas tree is taken at the centre of the mall. The tree is sponsored by Swarovski, a very famous crystal jewellery supplier. There are a lot of real crystals hung on the tree along with other Christmas ornaments. Many people are taking pictures of the tree!

Outside the mall, the streets have been decorated with colorful neon lights. It was really fun walking on the street with so many different colors of lights. It will be even better if you were here. :) But sometimes the lights make me feel dizzy...;

I don't know if you received my last letter during the last week when the server was down. In the letter, I told you I watched both Madagascar I & II last weekend. It was really fun! And the old lady reminds me of my grandmother!

Ana, how was your essay about living in the guilt? Did your professor say you'll get rich selling your clothes?? When are you going to Baturin again? I wish the opening ceremony for your archeology site to be a successful one!

With best regards and my kisses like the little snowflakes landing on your face,

Calvin :)
