My dear Ana,

I see so many kisses on the last letter! And I think they are in different flavors, too. ;-) On Christmas Eve, we went to a Turkish restaurant to have a small celebration. This was my first time to go to a Turkish restaurant. And to my surprise, the Turkish food in the restaurant was amazing! They have many different types of vegetables and meat I've never seen before; also the way they cook the food is different from the way we cook, I especially like their barbeque lamb. Ana, you have to try them! ;-P

Oohhh Ana, don't worry about my flight. I know there are no airports in Chernigov. My flight will arrive in Kiev. I've already arranged transportation with the staff here to come to Chernigov to be with you. ;-) My flight will arrive in Kiev around 11 a.m. on January 18th, so I should be in Chernigov around 1 p.m.

There are a lot of foreign people from around the world in Qatar: Egyptians, Brits, Lebanon's, Americans, & Canadians ;-) So there are many different cultures & gestures. But all of them accept the hand shake gesture! What is considered rude is taking pictures of Arabic women. As I told you in the last letter, most Arabic women are wrapped in black clothes so as not to expose their skin to the public. So they are very sensitive to taking photos. I find those women very mysterious. ;-) But some younger Arabic women are not wrapped in such clothes.

Today I played soccer with my colleagues and some other people on a football field. I haven't played soccer for almost 4 years. I slipped and fell onto the ground so many times! I think I had a couple bruises on my butt. But luckily nobody laughed at me because I wasn't falling on ice. ;-) But I think I am better at playing pool and bowling.

Ana, I've talked to Mr. Santa Claus. He said you've been a very good girl this year. Therefore, he will send you one of his best gifts. But you have to be patient, be a good girl. Your gift is coming soon! ;-)

I haven't talked to TeddyCal for a while now. So this time I've placed all my kisses on TeddyCal's lips. When you hold him to sleep tonight, you will feel my kisses. ;-)

Sleep well my Ana and wish you all the best to your studies. :-*
